

# CLASS OF 2017

## GRADUATION INFORMATION

### Begin planning now...

You have worked long and hard, and we want your senior year and graduation to be a special time for you. Please use the information contained in this packet to plan ahead and insure that your senior year and graduation are the best they can be.

To honor our students' accomplishments, we wish for the graduation ceremony to be dignified and respectful. Toward this end, students may not decorate their caps and/or gowns. Inflatable items, balloons, and noise-makers are strictly prohibited at the coliseum by both graduates and guests.

In order to keep the staging area clean and minimize the loss of personal items, students should not bring personal items into the coliseum. This includes but is not limited to purses, food and drink.

We have arranged for the ceremony to be photographed and all graduates will have a photograph taken after they have received their diplomas and exited the stage.

Please keep in mind that in order to participate in the graduation ceremony, students must not have any outstanding debts. Additionally, all disciplinary consequences must be served. Finally, students must have completed all other requirements for graduation in order to walk in graduation.

Please accept our sincere congratulations as you complete your senior year and prepare to graduate from high school.

*Your time is limited, so don't waste it living someone else's life. Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary.*

# Travel and Parking Information

## Graduation Day

Due to the high volume of traffic from Mount Pleasant, we suggest that those families living north of the Isle of Palms Connector use I-526 and those living south of it use I-26 in an effort to avoid delays in traveling to the Coliseum.

Seniors must be at the Coliseum on the day of Graduation **no later than 2:15 p.m.** Due to limited parking spaces at the Coliseum and the size of our graduating class, every graduate will be given 2 parking passes at graduation practice. This will guarantee every family parking on the Coliseum campus. Prior to the ceremony, seniors should make plans with family members as to where to meet after the ceremony.

Doors will not open at the Coliseum for families and guests until 2:15 p.m.
