

Wando High School Parking Regulations 2018-2019

Student Name (Print): _____ **Cell Phone:** _____

Parent (Print): _____ **Cell Phone:** _____

Grade: _____ **Date:** _____

All vehicles driven to school, including motorcycles and any other two-wheeled, gas operated vehicles are to be properly registered, parked in the designated parking lot, and display the appropriate parking stickers. Parking may not be available on campus for all students wishing parking privileges. As a result, parking spaces will be assigned first to seniors who meet all requirements and then to juniors as spaces are available. **There will be no parking on campus for any reason for sophomores or freshmen. Parking is a privilege;** therefore, students with outstanding debts, discipline issues, attendance issues, excessive tardies, and/or parking violations from the previous school year may not be considered for parking spaces. Once approved for parking privileges, a student must agree to follow all parking rules and regulations, pay the required permit fee, and present a valid driver's license and current vehicle registration.

The following policies apply to all students who are approved for parking:

- Each student is to properly register his or her own vehicle with the school and pay the parking fee of \$60. Parking permits are assigned during schedule pickup if a parking application form has been completed, all documents are presented, and the fee paid.
- Each student is to park in his or her assigned parking lot. Parking in a lot not assigned, parking in driveways or other unauthorized areas, or blocking other vehicles may subject a student to losing parking privileges and disciplinary action.
- Students approved for parking privileges will have two parking stickers placed on their vehicle. Each student vehicle is to have a valid parking sticker on the front and rear windows. A vehicle will not be considered properly registered and parked if both stickers are not clearly displayed at all times while on campus. Failure to display the parking stickers properly will subject the student to losing parking privileges and disciplinary action and could result in the vehicle being booted or towed at the owner's expense. Seniors must turn in both stickers when they complete senior check out at the end of the year.
- Parking stickers may not be exchanged, sold, or copied. The parking stickers displayed on a vehicle must have been issued by the school to the driver of the vehicle. Students needing to temporarily drive a different vehicle than the one registered with the school, must obtain a temporary permit in the morning before school begins.
- Speeding or reckless driving on school grounds and streets bordering the school is not permitted. The maximum speed limit on campus is 10 miles per hour.
- Students are to exit from vehicles immediately upon arrival on campus. Students are only allowed in the parking areas during the school day if they have a signed pass by a school administrator or designee. This includes going to the vehicle to get IDs, clothes for PE, etc. Students exchanging class from or to the trailers must utilize the designated sidewalks and are not permitted to walk through the parking lot. Students will be considered out of area if found in the parking lots or their vehicles throughout the school day.
- Students may leave campus only with an approved early dismissal. Students will be subject to disciplinary action and/or loss of parking privileges if they leave campus without proper authorization or if they drive another student off campus who does not have authorization.
- Neither Wando High School nor Charleston County School District are responsible for theft or damage to vehicles parked on campus.
- Students are not allowed to switch parking lots throughout the school year.
- If a student's parking privileges are revoked for more than ten days, they will be required to re-apply and repay the parking fee.
- Wando High School and Charleston County School District retain the authority to conduct routine searches of student vehicles parked on school property at any time. Failure to provide access to the interior of the vehicle will result in disciplinary action, beginning with the loss of all parking privileges indefinitely.

Your signature below acknowledges that you understand that being permitted to park on school premises is a matter of privilege, not a right, and failure to meet the regulations above will subject you to losing parking privileges and disciplinary action as determined by the administration or designee.
